SUBMISSION OF PROPOSED DRAWING AMENDMENT
FOR APPROVAL BY EXAMINER

United States Patent and Trademark Office
P.O. Box 2327
Arlington, VA 22202

Dear Sir:

Enclosed please find one (1) sheet of drawing designating the proposed amendment to Figure 5 of the drawings in this application for which approval by the Examiner is requested. The amended drawing is intended to overcome certain objections asserted by the Examiner in the Office Action mailed January 13, 2003 and conform to suggestions made by the Examiner in that same Office Action.

Specifically, numerical references have been added to the drawing to support the fourth insulating layer covered by Claim 17. No new matter is added as the fourth insulating layer shown in the amended drawing is clearly described in Page 3 Line 30 to Page 4 Line 1 of the specification, Page 4 Line 26-28 of the specification, and Claim 17 of the claims as originally filed.
